

SDG 2 KKU Food Waste Management & Recycling

Khon Kaen University attaches great importance to waste management within the university campus to ensure sustainability goals. To achieve sustainability in solving hunger problems and creating food sustainability, KKU conducts green university policies that include food waste management in all food centers. KKU by Centre for Asset Management (<https://asset.kku.ac.th/>) is responsible for overseeing the operations of the food centers, including.

1. Food and Service Center 1 (Complex)
2. Food and Service Center 2
3. Food and Service Center 3 (Nong Waeng)
4. Food and Service Center 4 (Parking Building 1)
5. Mor Din Daeng Market (Night market)
