## The SDGs alignment report KKU

		i ile 3003 aligilillei	
SDGs	Program Name (Aligned with SDG)	Alignment Reason	Alignment Reason
SDG 1	Bachelor of Science Program in Biology		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Engineering Program in Electrical Engineering		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Engineering Program in Chemical Engineering		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Engineering Program in Digital Media Engineering (International Program)		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Education Program		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Education Program Teaching English to Speakers of Other Languages (International Program)		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Education		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Education	Main Courses	This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections: Main Courses
SDG 1	Bachelor of Arts Program in Social Sciences		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Business Administration Program in Hospitality and Event Management	Elective Courses	This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections: Elective Courses
SDG 1	Bachelor of Business Administration Program in Digital Entrepreneur and Marketing Technology		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Accountancy Program (International Program)		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Business Administration Program		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Accountancy Program		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Fine and Applied Arts Program in Performance Practice		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Fine and Applied Arts Program in Visual Arts		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Fine and Applied Arts Program in Visual Communication Design		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Music Program		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Fine and Applied Arts Program in Dance		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Fine and Applied Arts Program in Arts and Cultural Innovation		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Public Administration Program in Local Governance		This program aligns with SDG $1$ by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Technology Program in City and Infrastructure Management		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Public Administration Program in Fiscal Management		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 1	Bachelor of Arts Program in Tourism Management (International Program)		This program aligns with SDG 1 by promoting sustainable economic practices, enhancing resilience, and fostering equitable access to resources through specific sections:
SDG 2	Bachelor of Science Program in Biology		This program aligns with SDG 2 by addressing food security, sustainable agriculture, nutrition, and rural development through specific sections:
SDG 2	Bachelor of Engineering Program in Automation Robotics and Intelligent System Engineering	Elective Courses	This program aligns with SDG 2 by addressing food security, sustainable agriculture, nutrition, and rural development through specific sections: Elective Courses
SDG 2	Bachelor of Business Administration Program in Hospitality and Event Management	Elective Courses	This program aligns with SDG 2 by addressing food security, sustainable agriculture, nutrition, and rural development through specific sections: Elective Courses
SDG 3	Bachelor of Arts Program in Social Sciences		This program aligns with SDG 3 by promoting health, wellness, and disease prevention, as well as improving healthcare access and quality, through specific sections:
SDG 3	Bachelor of Public Health Program	Program Objective	This program aligns with SDG 3 by promoting health, wellness, and disease prevention, as well as improving healthcare access and quality, through specific sections: Program Objective
SDG 3	Bachelor of Business Administration Program in Hospitality and Event Management	Elective Courses	This program aligns with SDG 3 by promoting health, wellness, and disease prevention, as well as improving healthcare access and quality, through specific sections: Elective Courses
SDG 4	Bachelor of Science Program in Environmental Science	Program Objective	This program aligns with SDG 4 by promoting inclusive, equitable, and quality education, as well as fostering lifelong learning, through specific sections: Program Objective
SDG 4	Bachelor of Science Program in Applied Mathematics		This program aligns with SDG 4 by promoting inclusive, equitable, and quality education, as well as fostering lifelong learning, through specific sections:

SDG 8	Bachelor of Engineering Program in Mechanical Engineering		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Arts Program in Social Sciences		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Business Administration Program in Hospitality and Event Management	Elective Courses	This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Business Administration Program in Digital Entrepreneur and Marketing Technology		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Accountancy Program (International Program)		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Business Administration Program		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Accountancy Program		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Fine and Applied Arts Program in Performance Practice		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Fine and Applied Arts Program in Visual Arts		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Fine and Applied Arts Program in Visual Communication Design		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Fine and Applied Arts Program in Arts and Cultural Innovation		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Public Administration Program in Local Governance		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Public Administration Program in Fiscal Management		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Communication Arts Program (International Program)		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Business Administration Program (International Program)		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Economics Program		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 8	Bachelor of Economics Program (International Program)		This program aligns with SDG 8 by promoting economic growth, entrepreneurship, decent work, and productive employment opportunities, through specific sections:
SDG 9	Bachelor of Science Program in Chemistry		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Science Program in Battery and New Energy Science		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Science Program in Biochemistry	Elective Courses	This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections: Elective Courses
SDG 9	Bachelor of Science Program in Biology		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Chemical Process Engineering (International Program)		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Industrial Engineering		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Electrical Engineering		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Automation Robotics and Intelligent System Engineering	Elective Courses	This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections: Elective Courses
SDG 9	Bachelor of Engineering Program in Logistics Engineering (International Program)		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Agricultural Engineering	Main Courses, Elective Course	This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections: Main Courses, Elective Courses
SDG 9	Bachelor of Engineering Program in Civil Engineering		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Agricultural Engineering	Elective Courses	This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections: Elective Courses
SDG 9	Bachelor of Engineering Program in Computer Engineering		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Engineering Program in Computer Engineering	Main Courses	This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections: Main Courses

SDG 9	Bachelor of Fine and Applied Arts Program in Visual Communication Design		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Music Program		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Fine and Applied Arts Program in Dance		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Fine and Applied Arts Program in Arts and Cultural Innovation		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Public Administration Program in Local Governance		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Technology Program in City and Infrastructure Management		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Public Administration Program in Fiscal Management		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Communication Arts Program (International Program)		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Business Administration Program (International Program)		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections:
SDG 9	Bachelor of Science Program in Artificial Intelligence	Main Courses	This program aligns with SDG 9 by fostering innovation, promoting sustainable industrialization, and enhancing resilient infrastructure, through specific sections: Main Courses
SDG 10	Bachelor of Accountancy Program (International Program)		This program aligns with SDG 10 by promoting equality, inclusion, and social justice, as well as providing equal opportunities and addressing disparities, through specific sections:
SDG 10	Bachelor of Business Administration Program		This program aligns with SDG 10 by promoting equality, inclusion, and social justice, as well as providing equal opportunities and addressing disparities, through specific sections:
SDG 10	Bachelor of Public Administration Program in Local Governance		This program aligns with SDG 10 by promoting equality, inclusion, and social justice, as well as providing equal opportunities and addressing disparities, through specific sections:
SDG 11	Bachelor of Engineering Program in Chemical Engineering		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:

SDGs	Program Name (Aligned with SDG)	Alignment Reason	Alignment Reason
SDG 11	Bachelor of Engineering Program in Telecommunications Engineering (International Program)		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Education Program		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Education Program Teaching English to Speakers of Other Languages (International Program)		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Education		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Education	Main Courses	This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections: Main Courses
SDG 11	Bachelor of Arts Program in Social Sciences		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Business Administration Program in Hospitality and Event Management	Elective Courses	This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections: Elective Courses
SDG 11	Bachelor of Accountancy Program (International Program)		This program aligns with SDG $11$ by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Business Administration Program		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Accountancy Program		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Fine and Applied Arts Program in Performance Practice		This program aligns with SDG $11$ by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Fine and Applied Arts Program in Visual Arts		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Fine and Applied Arts Program in Visual Communication Design		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Fine and Applied Arts Program in Dance		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Technology Program in City and Infrastructure Management		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Public Administration Program in Fiscal Management		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 11	Bachelor of Arts Program in International Affairs (International Program)		This program aligns with SDG 11 by promoting sustainable urban planning, resilient infrastructure, safe public spaces, and community resilience, through specific sections:
SDG 12	Bachelor of Science Program in Battery and New Energy Science		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Science Program in Biology		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Engineering Program in Environmental Engineering		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Engineering Program in Agricultural Engineering	Elective Courses	This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections: Elective Courses
SDG 12	Bachelor of Engineering Program in Digital Media Engineering (International Program)		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Arts Program in Social Sciences		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Public Health Program	Program Objective	This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections: Program Objective
SDG 12	Doctor of Pharmacy Program		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Business Administration Program in Hospitality and Event Management	Elective Courses	This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections: Elective Courses
SDG 12	Bachelor of Business Administration Program in Digital Entrepreneur and Marketing Technology		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Accountancy Program		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Fine and Applied Arts Program in Visual Communication Design		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Public Administration Program in Local Governance		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Technology Program in City and Infrastructure Management		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
SDG 12	Bachelor of Public Administration Program in Fiscal Management		This program aligns with SDG 12 by promoting sustainable consumption and production practices, resource efficiency, waste reduction, and responsible supply chains, through specific sections:
